Dear Chet:

Your Wisconsin book is a refreshing addition to our library. It has so many new features which other state obsolete books did not include. The profuse illustrations cover the bulk of the inventory of vignettes of the bank note engravers. Congratulations and many thanks.

Did you see what the sheet of the \$5 and \$10 from the Northern Bank brought at Christie's auction? That was once my sheet and I had to trade it to get a unique Missouri state note.

My best wishes for your continued action and successes.

Sincerely,

Eric P. Newman
